

Maromaku School Strategic Plan 2026-2028

Our Vision: To Develop Modern Learners
with Country Values

Our Values:
Respect
Kindness
Perseverance

Strategic Initiatives:	So That:
Goal 1. Improving the School Environment	
Establish a food forest, garden to table and Enviroschools programme.	Our school is a safe place for all: culturally, physically, emotionally and socially.
Using PB4L, promote our school values and start the process for including restorative practice approaches after relevant PLD.	
Goal 2. Grow the School Roll to 3 Classes	
Expand the bus route, buy a van and advertise our school in the wider community.	To give our students a broader school experience with more opportunities for social, sporting and curriculum activities.
Strengthen our Arts and Music curriculum and invite the wider community to participate in curriculum delivery and interschool activities.	
Goal 3. Raise Student Achievement	
Ensure student attendance is at 90% removing barriers that prevent students coming to school to learn.	We address the lower writing and reading abilities of our students and use a standard and consistent form of assessment.
Raise achievement in Literacy and Numeracy through a structured approach, with one hour of Reading, Writing and Mathematics every day.
